From Leeds City Centre

Follow the signs for the M621 motorway (south) and leave the motorway at Junction 6. Turn right onto Belle Isle Road. After you have gone under the motorway bridge, take the second left into East Grange Drive and Octavia House is on the left hand side.

From Other Routes

Please note there is no exit at Junction 6 travelling north on the M621, therefore if you are travelling north on the M621, you will need to go on to Junction 5, turn right and cross the motorway, then rejoin it travelling south. You can then follow the directions above. For all other methods of approach, it is best to travel to the city centre and follow the directions from there.

By Public Transport

From the city centre (Corn Exchange), Belle Isle Road is served by the following buses: the 12, 13 or 13a. Alight just after the motorway bridge and follow the directions above.
