From Leeds City Centre and the South

Follow the signs for the A647 (Bradford). After you have passed the junction with traffic lights at Armley, travel for about another mile and then turn right at the next set of traffic lights into Cockshott Lane. Follow this road for about a mile until you see a pub called The Ancestor on the right. Turn into Wyther Park Hill to the left, opposite the pub, and the hostel is the first house on the right.

From the North and the ring road

Leave the ring road at Kirkstall roundabout and head into the city on the A65. After about three miles you will see Kirkstall Abbey on your right, and come to a big junction with two sets of traffic lights which is a mini one way system. Follow the signs to Shipley, cross the river and rail bridges and turn left at the traffic lights, then left again at the next set. After about 200 yards you will see a pub called The Ancestor on the left hand side and turn into Wyther Park Hill to the right, opposite the pub, and the hostel is the first house on the right.

By Public Transport

Wyther Park is served by the 44 from Leeds City Centre, and by the 38 which runs on a route across North Leeds.
